FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Health**, the **Department of Revenue**, the **State Treasurer's** Office, the **State Auditor's** Office and the **Governor's** Office stated the proposal would not affect their agencies administratively.

The proposal would not directly affect any existing sources of revenue for state government or local governments.

Advertisement costs for the proposal would be \$4,380 per newspaper column inch for three publications of the text of the proposal, the introduction, title, fiscal note summary, and affidavit. The proposal would be on the ballot for the November 2000 general election.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would specify that any funds received by the state as result a legal settlement or award related to health-related issues of smoking would be considered part of "total state revenues" as that term is used in section 17 of article X of the state constitution and would be subject to appropriation.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space. The proposal could affect Total State Revenue.
